

The Holiday

I need a faraway holiday.

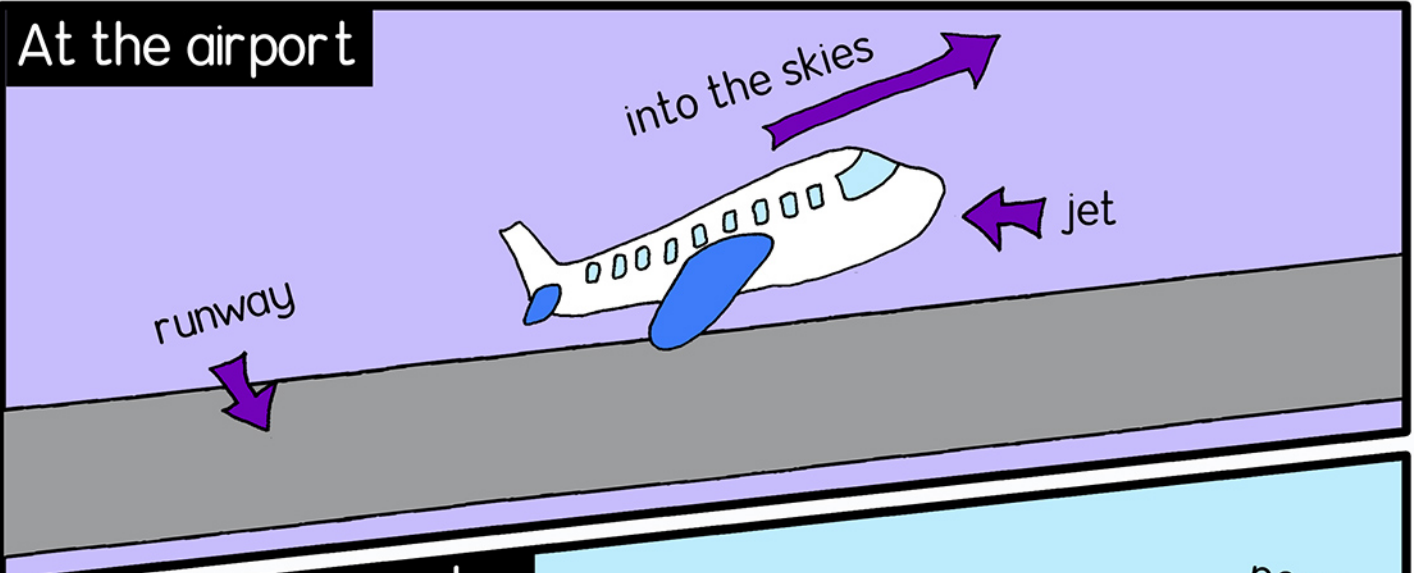

I do not think holidays are fun. I am staying on my ship, the Green Griffin.

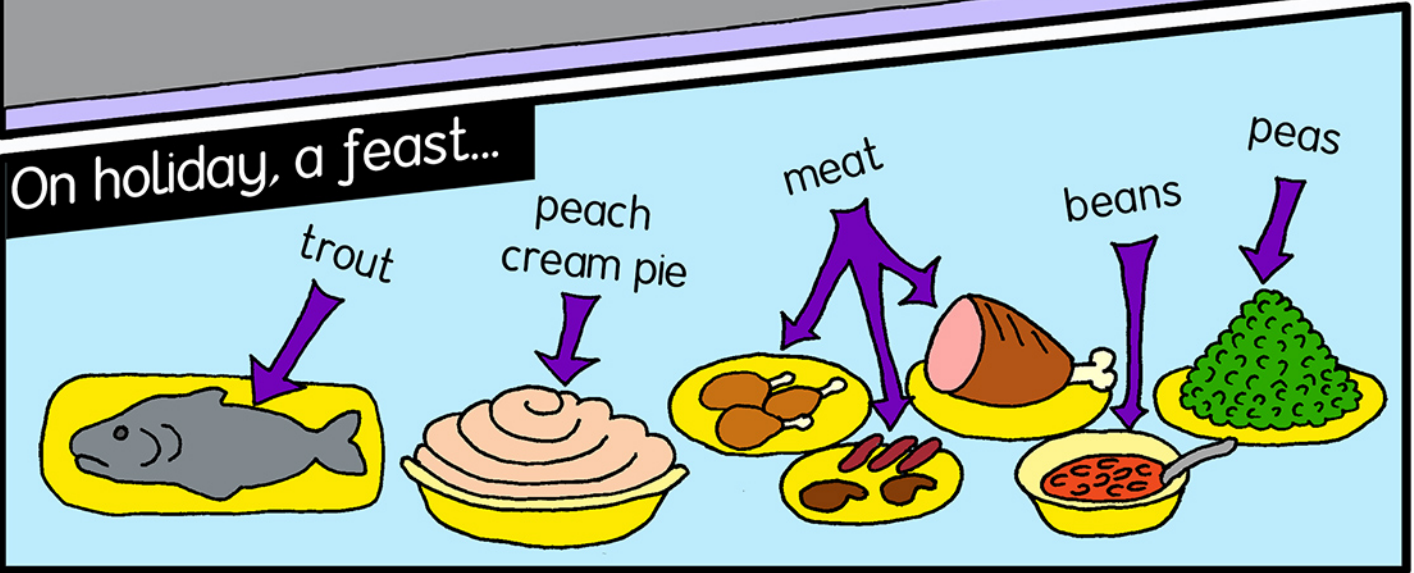

Okay, I'm off.

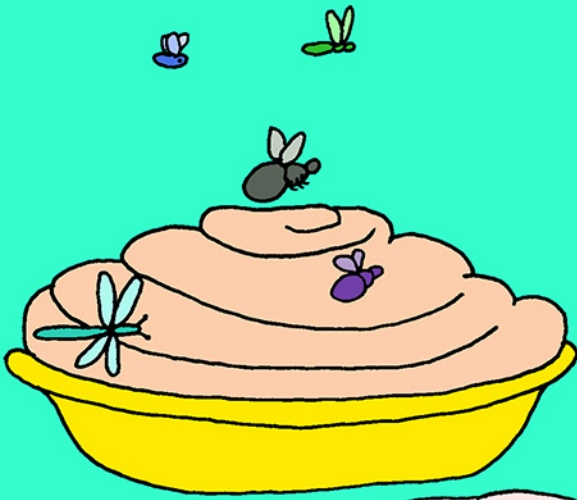

At the airport

On holiday, a feast...

...with flies and fleas and
beasts and bugs.

Ouch, I
got stung.

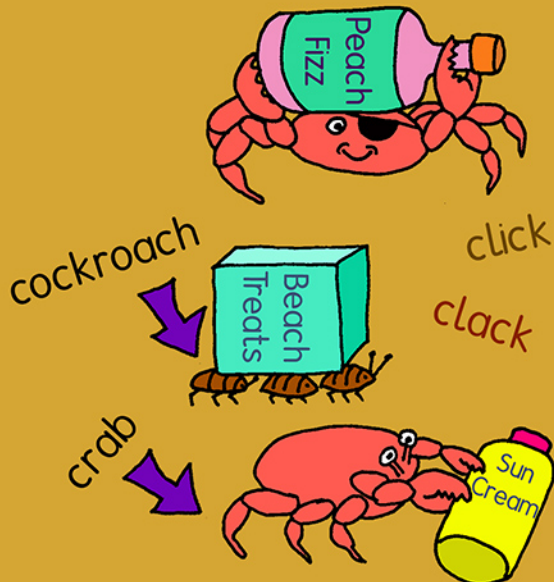

Next morning

I found the best spot to
lie down on this beach.

click clack click clack

Shiver my timbers! Foul
beasts are stealing my
beach supplies.

The Green Griffin sails
into the bay.

So Red, is this holiday
fun or do you need a lift
back to your ship?

Hooray! You found me
Get me away from this
beach of beasts.
