

Yo ho no!

Phase 5b

Hi Red

Yo ho no!

Hi Green, did I ever tell you about the time I got lost in a frozen land?

I met an old yeti, called Yoyo, hopping about in the snow.

I was hoping to be bold and steal her gold...

...but I got frozen solid.

How did you get out Red?

With help from...

an arctic fox,

a mug of hot choc

and my older sister Dot.

So Red, did I ever tell you about the time I got lost in the hot tropics.

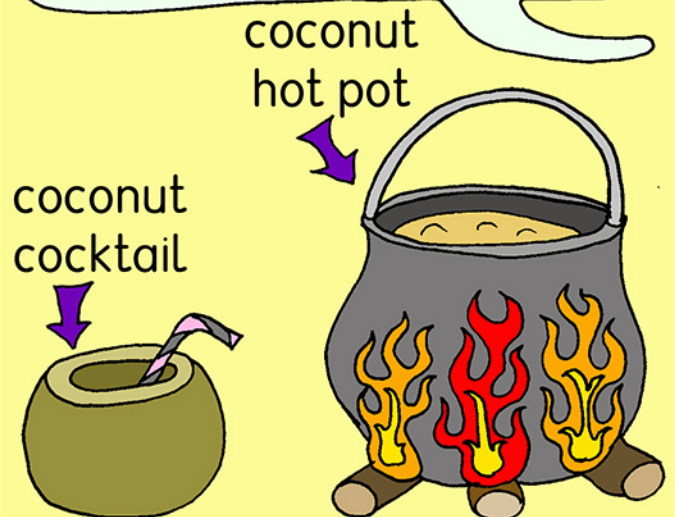

Yo ho no!

I got told off by a rude old cockatoo with a broken wing.

I ate a LOT of coconuts.

I had my ship stolen by your older sister Dot.

So I had a long slow ride home on an old crocodile called Coco.
